Access to Full Medical Services

- No one plans to get sick or hurt. But when it happens, having health care coverage gives you access to all the medical and dental services you may need to heal/feel better.
- Having health coverage is important to help protect you and your family from big medical bills.

Certified Enrollment Counselors are Available to Help You

- Saban Community Clinic's patient eligibility specialists are certified enrollment counselors who are experts in health coverage eligibility.
- We can enroll you in a free or low-cost health care plan that fits your needs and budget.
- We do all the paperwork, re-enroll you annually, and help you navigate the health care system.
- There is a health plan for everyone. If you don't have health coverage, make an appointment to speak with one of our enrollment counselors today.

Medi-Cal

Public assistance health insurance for people with a low-income who cannot afford private health insurance.

Who qualifies?

U.S. citizens, legal residents and certain immigrants without legal status:

- Under 19, regardless of legal status
- Pregnant women
- Seniors 65 and older
- Blind or disabled persons
- Families with children under 19
- Persons granted deferred action status (DREAM Act-eligible youth)

Free or low-cost based on person's annual income and household size.

What services are covered?

For a partial list, see the *Services Covered* panel.

What you need to enroll:

- Photo ID
- Social Security card
- Proof of income (pay stubs or tax forms)

When can you enroll?

Year-round. Note: Annual re-enrollment is required.

Covered California

A health insurance marketplace to compare and purchase private health insurance plans at affordable, federal reduced rates.

Health plans are divided into four tiers to signify the level of cost and coverage: bronze, silver, gold and platinum.

How much will you pay?

Who qualifies?

U.S. citizens and legal residents

Cost varies based on the coverage plan tier purchased, the person's annual income, age, and where they live.

What services are covered?

For a partial list, see the *Services Covered* panel.

What you need to enroll:

- Photo ID
- Proof of Citizenship or Permanent Residence
- Proof of income (pay stubs or tax forms)

When can you enroll?

During Open Enrollment, November – January.

Special enrollment is available at any point in the year for persons with life-changing events like marriage, divorce, childbirth, etc.

My Health LA

Los Angeles County

A no-cost Los Angeles County health care program (NOT health insurance) for people with low-income who do not qualify for Medi-Cal or Covered California.

Primary health care services are provided at the community clinic members choose their medical home.

Who qualifies?

Persons 19 years of age and older, regardless of legal status, who live in Los Angeles County.

No-cost primary health care services provided at Los Angeles County community clinics.

What services are covered?

For a list, see the *Services Covered* panel.

What you need to enroll:

- Photo ID
- Proof of Los Angeles County residency
- Proof of income (pay stubs or tax forms)

When can you enroll?

Year-round. Note: Annual re-enrollment is required.

Enrolling in My Health LA will NOT affect immigration status. All information is confidential.

Medicare

65 and older

Who qualifies?

U.S. citizens and legal residents who worked and paid taxes and are:

- Seniors 65 and older
- Persons under 65 with disabilities
- Persons of any age with permanent kidney failure

Cost varies based on work history, annual income, and time of enrollment. Payment assistance programs are available for persons with a low income.

What services are covered?

Medicare has four parts:

- Part A is hospital insurance, including nursing home or hospice care
- Part B is medical insurance
- Part C is a supplemental plan offered by private companies (Medicare Advantage)
- Part D covers prescription medicines.

See the *Services Covered* panel for a list of services. Note: Medicare does not cover dental or vision care.

When can you enroll?

For most people, enrollment is automatic. If not, you have up to three months after your 65th birthday to enroll through the Social Security Administration
